MEN HELD AS ARMY DESERTERS GIVE FICTITIOUS NAMES

Officers at Camp Sherman Cannot Find Names Given by Soldiers Arrested Here and They Confess to Giving Fictitious Names.

Chief of Police Harry A. Ort today received a telegram from the officers at Camp Sherman saying that they were unable to find the names of the men arrested here upon their roll and asking that the officers question them more closely to learn whether or not the names given were their real names.

Immediately upon receipt of this telegram Chief Ort had both of the soldiers held now in the Mason county jail brought out before him and he proceeded to put them through a test. When arrested they gave their names as John Rogers and Roy Miller but after they had been questioned closely by the Chief they admitted that they had given the officers false names and admitted that their names were Morrison Wilbur and James R. Roberts.

Chief Ort has wired these facts to the commandant at Camp Sherman and expects to hear from the camp within a short time.

Roberts, who at first gave his name as Rogers, says he has been absent from Camp Sherman since August 9 or 10 and if they have been away from camp for the length of time they claim to have been away, both have been marked up as deserters.

Chief of Police Harry A. Ort received a telegram this afternoon from Camp Sherman informing him that the men were both deserters and instructing him to hold them for a guard who will arrive tomorrow from camp to return them.

CONTRIBUTION TO RELIEF OF BELGIANS IS LARGE

Maysville and Mason County People Answer the Appeal For Aid For the Belgians in Campaign Conducted Yesterday.

The collection of clothing for the relief of the suffering Belgians held yesterday under the direction of the Maysville Settlement Club was a success in every way. The young ladies announce that they are very much pleased with the large amount of clothing contributed by the good people of Maysville but the members of the Settlement Club feel that there are yet many people who have not contributed who would like to do so.

The campaign is not closed yet although the collection in the city has been made and all of those throughout the county who desire to make contributions of any sort can do so by bringing their clothing to Maysville and leaving it with the club members or at any business house where it can be turned over to the club members.

Maysville and Mason county should send several hundred pounds of this used clothing to Cleveland, the headquarters of the Lake Division of the Red Cross in which our city and county is located.

QUESTIONNAIRE RUSH WILL SOON BE OVER

The last bunch of blank questionnaires were mailed out by the local board for Mason county this morning and the rush at the Council of National Defense headquarters will soon be over. Some who have received their blanks have been holding back until the rush is over but as the draftees who have received their blanks must return them within five days of their receipt, it is urged that they act as promptly as possible in having them properly filled out and sworn to.

TUESDAY REGISTRATION DAY

Don't forget that next Tuesday—October 1—is regular registration day in the state of Kentucky. All residents of Maysville who vote in the coming November election must register on next Tuesday. Registering will be held in the regular voting places.

CONFERENCE OF WORKERS TO BE HELD AT BEECHWOOD

Committee in Charge of Conference For United War Work Campaign Will Meet at Beechwood Park.

The committee appointed to arrange the United War Work Campaign Conference for this district comprising Mason, Bracken, Lewis and Robertson counties met at the Chamber of Commerce today.

One of the most important problems that confronted them was the selection of a place to hold the meeting. Several of the men attended the recent banquet of the Chamber of Commerce members at Beechwood Park and were loud in their praise of it as a place for the meeting.

By unanimous consent of the committee, Beechwood Park was chosen for the event. The committee then waited upon Mr. Rohmiller and suggested that he serve the noon luncheon to which he readily agreed.

The following invitation will be sent to about 300 men and women in the four counties of this district:

Dear Friend:

You are urged to be present at BEECHWOOD PARK, MAYSVILLE, at 12 o'clock for luncheon on Friday, October 4th, 1918, to meet the representatives of the United War Work Campaign to consider important matters concerning the morale and comforts of the American Armies, as promoted by the

Young Men's Christian Association, Young Women's Christian Association.

National Catholic War Council, Jewish Welfare Board, American Library Association, War Camp Community Service, Salvation Army.

No solicitation of funds. Kindly regard your attendance as a Patriotic Duty. You will favor the Committee on Arrangements, if you will send the enclosed post card by returned mail, so that they may be able to intelligently inform the Caterer the number of be served.

Yours very respectfully,

M. R. A. COCHRAN, District Chairman.

Mr. G. H. Frank, Y. M. C. A., District Chairman.

Miss Mary Wilson, Y. W. C. A., District Chairman.

F. P. O'Donnell, National Welfare Board, District Chairman.

Mrs. W. J. Osborne, American Library Association, District Chairman.

John Walker, War Camp Community Service, District Chairman.

W. D. Cochran, Salvation Army, District Chairman.

This will be a very important meeting and the Committee is desirous of having all the workers that are to participate in the campaign to be present.

Mr. Cochran, the District Chairman, received word from State Director Trevebaugh today that the following persons would comprise the team that will confer with the workers of this district.

C. A. Tevebaugh, Geo. E. Hays, Miss London, F. J. Resler, P. H. Callahan, C. W. Morris, C. C. Cadden, Adj. Gourlay, and C. L. Harris.

COUNCIL OF DEFENSE MEETING SATURDAY

There will be a very important meeting of the State Council of National Defense members at Louisville on Saturday when the general committee will be organized for the purpose of serving the colored people of the state. E. W. Lane, of this city, who is representing the colored people of this district on the committee has been called to Louisville to attend this meeting.

CARD SHOWER FOR SOLDIER BOYS BEING ARRANGED

Precinct Chairmen Named to Procure Address of All Mason County Soldiers—Card Shower Arranged For Thanksgiving.

At a recent meeting of the Board of Directors of the Chamber of Commerce, the Secretary was instructed to inaugurate a Post Card Shower for the soldier boys of Mason county on the first of October.

Realizing that the event would be a far greater success if the names and present addresses were secured of all the boys who had been selected for service and volunteered, they decided to make a soldiers record survey and obtain the desired information.

The Chamber of Commerce has had an incomplete record of the Mason county men in the service. Every one feels the need of a complete record, kept up to date, at some central location and when this survey is complete, it will answer a long felt want.

The survey cards which will be used by the Committees will bear the following information:

Name.....

Age.....

Home address (street and number).....

Regiment.....

Company.....

Present Address.....

Date of Mustering in.....

Place of Enlistment.....

Branch of Service.....

Rank.....

Names of Nearest Relative.....

(State Relationship).....

Address of Nearest Relatives.....

Secretary Dadds appointed Mrs. R. B. Lovel, Mrs. T. M. Russell and Mrs. Frank Clarke as the committee in charge of the campaign.

The ladies met yesterday and appointed the following chairmen in the precincts through the county.

Precinct Chairmen
Maysville No. 1—Mrs. Chas. Hancock.

Maysville No. 2—Miss Lottie Berry.
Maysville No. 3—Mrs. Thomas M. Russell.

Maysville No. 4—Mrs. D. Franklin. Germantown—Mrs. Dr. Browning.

Ferriest—Mrs. John Evans.

Murphysville—Mrs. Scott Stoven-son.

Sardis—Mrs. Adrian Sult.
Orangeburg—Mrs. Jennie Zeigler.

Plumville—Mrs. W. W. Davenport.
Dieterich—Miss Mary Wood.

The committeemen for the Fifth and Sixth Wards, Maysville, have not yet been chosen.

A meeting of these chairmen will be held at the Chamber of Commerce Saturday afternoon at 2 o'clock.

The committee decided to postpone the event and arrange so the boys will receive the cards on Thanksgiving Day.

YANKS JOIN THE FRENCH IN NEW CHAMPAGNE DRIVE

Allies Strike Again on Champagne Front—Hans Evacuate St. Quentin—Solla In State of Siege.

Paris, September 26—French and American troops began a joint attack, this morning on the Champagne front and in the region beyond it on the east.

The Franco-American attack on the Champagne front is the first Allied thrust on that sector since Marshal Foch assumed the initiative in July, and is the logical result of the Allied success in clearing the Germans from Arras to Laon.

A drive northward in Champagne threatens the communication lines in the rear of the Hindenburg defense system, where the Germans are struggling to keep the British and French from breaking through. While the length of the front of attack is not disclosed it is probable that it extends for a goodly part of the distance from Rheims to Verdun and probably beyond.

Paris, September 26—St. Quentin has been mined by the enemy and the officers of the German command have moved their headquarters out of the city, which has been stripped of its art works and treasures, according to dispatches from the front.

Gen. Debeney, the French commander, and Gen. Rawlinson, the British leader in the operations against St. Quentin, have advanced 1,500 yards (nearly a mile) in the last two days, and are within 1,000 yards of the city.

Zurich, September 26—A state of siege has been proclaimed in Sofia, according to information from reliable sources received here today. The inhabitants must remain indoors, after 9 p. m.

The newspapers are calling to the people and the army to remain calm and not lose confidence "at a moment when the country is in supreme danger."

The cabinet is sitting continuously. Czar Ferdinand is consulting with his generals in grand headquarters.

It is reported a ministerial crisis is imminent. Some circles predict a regency under Prince Boris.

Popular peace demonstrations occurred at the capital Sunday, Monday and Tuesday.

BESSIE BARRISCALE IN "ROSE O' PARADISE"

A brand new characterization is promised by Bessie Barriscale when she comes today to the Pastime Theater in her seven-act adaptation of Grace Miller White's popular American novel, "Rose O' Paradise," which is her most recent Paralta Play.

"Rose O' Paradise" was recognized among the "best sellers" upon its publication several years ago, and it is declared to have taken its place alongside "Tess of the Storm Country," by the same authoress, as one of the most delightful pieces of narrative of the past decade. It is one of those ingratiating tales that holds the interest from the start, and enthralls with its vivid characterizations.

The story concerns the adventures of a little optimist, Jimmy Singleton, rightful heir to a fortune left by her mother, but made victim of a chain of unpleasant circumstances by her scheming uncle. Jimmy is sent by her dying father to live with Lyle Grandoken, an old cobbler, who was formerly a gardener in the employ of the family. On the way, she meets Theodore King, a wealthy and upright man, who lives in the vicinity of the cobbler's shop, and who is fascinated by the little girl.

Later, Jimmy is annoyed by Maude Bates, the town bully, who persists in his unwelcome attentions, until one day he is soundly thrashed by King. Morse, Jimmy's uncle, learning of Bates' grudge against King and the girl, conspires with him to get them out of the way, in order that he may secure complete possession of Jimmy's inheritance. But Bates becomes embroiled in a controversy with Morse, and, for revenge, goes to the cobbler to inform him of Morse's plan. Morse follows him there and shoots him. He then kidnaps Jimmy and conceals her in a deserted house.

The cobbler is arrested for the crime and Jimmy makes her escape just in time to reach the court room to save the old cobbler and to learn of King's great love for her.

In the role of Jimmy, Bessie Barriscale has added another triumph to her already long list of immortal screen characterizations. The part offers her countless opportunities to score heavily, not alone with her emotional powers, but with her effervescent personality as well. She has invested the story with all the charm and sweetness that has won for her such a host

BRONCHIAL ASTHMA

Mrs. Graf Says Vinol Cured Her

Darlington, Pa.—"I suffered from bronchial asthma so badly I would often have to sit up half of the night or lean over the back of a chair, and so weak I could hardly walk across the floor. I had spent lots of money for different asthma medicines without help—but Vinol helped me so I sleep well, and am so well and strong I am doing all my work on the farm."

FAIRMOUNT'S FIGHT GRAIN DESTROYERS

Five per cent of Idaho's grain crops has been saved to feed our Army and our allies through a campaign against squirrels carried on by the farm bureau and the Biological Survey of the United States Department of Agriculture in 20 counties in the southeastern part of the State. At an original outlay of \$1.70, one member of the farm bureau in Blaine county brought to the farm bureau office 2,487 squirrel tails. He received \$49.74 as a bounty for this piece of war work. In Bear Lake County 135,500 squirrel tails were presented for bounty claims this following the farm bureau campaign. In Bonneville county a farmer covered his field with the poison, walked back over it in less than an hour from the time he started, and counted 278 squirrels, 6 rabbits, 10 rock chucks, and a flood many field mice which had already been killed. Control work carried on on one or two farms is of little avail, because the squirrels from neighboring farms soon fill up the depleted ranks of their comrades. It is only when the undertaking is county wide and State wide that it is successful. Such campaigns have been made possible by the farmers' cooperation secured by the farm bureaus.

German Prisoners March In

GERMANS have been marching in, prisoners just like these, quite regularly of late. Our boys on the Western Front are going "great guns." The boys can be depended upon to keep up their gait as long as we at home are behind them keeping up our gait. Our battles must be fought with our money. We lend instead of shooting, that they may shoot. This file of prisoners will keep on "going south" in just the same manner as our dollars keep on going east, via the bond route, to the United States Treasury.

HOW SERVICE INSTITUTES ARE TO BE HELD

A Series of Institutes to Instruct Workers For Red Cross Home Service Are to Be Held.

To equip more workers with fundamentals for Red Cross Home Service, another series of Home Service Institutes, or "Plattsburgs," have been planned by the Department of Civilian Relief, Lake Division, American Red Cross.

Need for the new series of Institutes may be seen in a recent report of this department in which it was shown that the number of Ohio, Indiana and Kentucky families of soldiers and sailors assisted by chapter Home Service workers had grown to more than 13,000 a month. This number, it is pointed out, will greatly increase as more and more men are selected for military service.

Institutes are to be opened at Columbus September 23; at Cleveland October 15 and at Cincinnati November 5. A few days ago, September 19 the first of the new series was opened at Indianapolis. All are made possible by the joint cooperation of universities and social agencies, in the cities in which they are held, with the Red Cross.

Each course consumes six weeks and includes twenty-four lectures with collateral reading and weekly conferences, together with 150 hours of field work supervised by social agencies. Enrollment is limited, carrying from twenty to twenty-five pupils to each institute.

Facts about War Risk Insurance, about Allowments and Allowances, about conducting an information service, about industrial problems due to the pressure of the war, about juvenile delinquency, about home diet—these are among the important subjects taught at these institutes as part of the American Red Cross pledge to sustain the soldiers

COUNTY AGENTS EXPECTS REPORTS

County Agent Frank Boyd is expecting within the next few days complete reports from the committeemen selected to call on all of the farmers in the county in the interest of the Wheat and Sheep campaign. Mr. Boyd says from what he has thus far heard from the committeemen—he is certain Mason county farmer are going to do their part toward a bigger wheat crop this season and more sheep.

"Whole milk is the perfect ration—the natural food. It is not merely a drink—it is a food. You eat milk. It nourishes the body, rebuilds and repairs the worn tissues. Most people eat too much. They overload their stomachs. Dairy products are easily assimilated. They give you a higher rate of good value, without taxing the stomach. The faulty whose meals are largely composed of dairy products are seldom troubled with digestive disorders."

"The food value of a quart of milk is the equivalent of three-fourths of a pound of beef, two pounds of chicken, or eight eggs. Compare costs—milk wins.—Dr. E. V. NEW FOOD SAVING DRIVE BEING PLANNED

Food Administrator Sackett Planning For the Signaling of New Pledge Cards All Over the State.

Women of the nation will be expected to save 50 per cent. more food this year than they did last year, according to Fred M. Sackett, Federal Food Administrator, who signed a call yesterday for twenty competent volunteer workers, who will be asked to visit different counties and assist in forming an organization which will distribute the 1919 food cards.

Mr. Sackett returned to Louisville yesterday from Washington, deeply impressed with the work to be done by the Food Administration during the next twelve months. He said the present military situation called for intensification of effort along all lines of food production and food saving, and that the women of Kentucky would be expected again to bear no mean share of the burden before the country.

"Fifty per cent. more food than was shipped to Europe last year must be saved and shipped during the next twelve months," Mr. Sackett said. Fifteen million tons of food, instead of ten millions, must be sent. This makes necessary a larger program of saving and a more intensive effort toward the elimination of all waste. To insure a perfect understanding of the task before us the Food Administration will place a card of instruction in every home in Kentucky.

"To organize the State for the distribution of this card requires the services of about twenty women who will be willing to devote two weeks' time to visiting the counties of the State and assisting the local chairman of the Conservation Division in organizing the workers who are going to undertake the distribution of these cards."

"Mrs. Morris Gifford, as head of the Conservation Division, calls for the assistance of twenty women willing to do their patriotic part in this movement, by visiting these counties in the interest of the organization. It is proposed that they shall spend from one to two days in the county seats, passing from one county to another, and the request is for women who have had educational advantages and who feel that they can assist in preparing the organization. These women will be volunteers, but their traveling and living expenses will be paid by the Food Administration while they are on the way."

EFFORTS MADE TO REDUCE ACCIDENTS

Government Bureau of Mines Makes Recommendation to Police and Traffic Departments of Cities.

Washington, D. C. September 26.—Alarmed at the increasing number of traffic accidents in the streets of the big American cities, the Bureau of Mines, Department of the Interior, has sent to the police authorities of these cities the plans and specifications for an improved safety device, which it is hoped will minimize the present serious loss of life and reduce the great amount of property damage due to collisions from either careless driving or skidding of automobiles. The device consists of a so-called "safety beacon" placed as a guide to traffic in the center of the intersections of streets. The device has a concrete base with an iron casting, easily distinguished by its color in the day time and made conspicuous at night by a red lamp which will gleam through not more than twelve inches of the bars of the iron casting. Being not more than twelve inches high, the "safety beacon" will be directly in the line of vision of the auto driver instead of in the air at an elevation where it frequently is not seen. It has the additional advantage that if an automobile runs or skids into the device, the casting will be lifted from its base and moved forward, minimizing greatly and serious consequences and at the same time not inviting willful or deliberate attempts to run over it.

The Bureau of Mines is not primarily interested in street accidents, its task being to look after the safety of more than a million miners, the great majority of whom work under ground. In its work, however, the bureau employs a large staff of safety experts, one of whom is Otto H. Mohr, in charge of illuminating engineering investigations. Mr. Mohr evolved this safety device for the streets, and it has received such favorable comment from safety engineers that Van H. Manning, Director of the bureau, determined to see that every big city in the country should be supplied with blueprints and a complete description of the device. The device was tried out in Chicago and the city authorities decided at once to adopt it. Washington, too, is to use this improved safety device and is having the first "safety beacon" built. In order to maintain the light at night, it is necessary to provide a conduit under the street from the curb to the center.

This device is expected to do away with the warning lights on lamp posts on curbs at the street intersections. The latter method of illuminating the street intersections has resulted in many serious accidents resulting in injury and death to the occupants of moving vehicles who happen to collide with these lamp posts.

GASOLINELESS SUNDAYS MAY SPREAD WESTWARD

It has been frequently asked if the gasolineless Sunday request would be extended to include the territory of the Mississippi River. At the moment it does not seem that this will be necessary, although it is among the possibilities.

Mid-Continent refiners are now canvassing the situation with a view of determining their ability to care for the western territory and at the same time furnish the amount of gasoline they have agreed to deliver at Atlantic seaboard.

The solution will rest entirely upon their ability to provide for both demands. If this is found to be impossible, the country west of the Mississippi will, of course, be called upon to forego Sunday pleasure driving temporarily. In order that the necessary stocks may be built up and maintained upon the Atlantic seaboard for shipment overseas.

MICH TOBACCO IS BEING HOUSED

This week report comes from all parts of the county to the effect that farmers are in the midst of tobacco housing. The tobacco crops is said to be of fine quality and will way well. The farmers have had two or three beautiful days in which to get their crops into the barns and they are hoping for a couple of weeks of clear weather so that the entire crop can be housed in good shape.

TESTS SHOW VALUE OF RIGHT SEED

One variety of wheat produced at the rate of 66.6 bushels per acre, while another variety, grown under the same conditions, produced at the rate of 88.3 bushels in tests recently completed at the Georgia Experiment Station, in which the United States Department of Agriculture cooperated. The data adds to the proof already on hand that it pays to sow the right variety—the variety that is best suited to the conditions in sections in which it is grown. In each State or wheat-growing district there are varieties, according to the department, which produce higher yields than others, even when given the same culture. If growers are not familiar with the high-yielding varieties for their section, they can obtain information on the subject from their State experiment station or the United States Department of Agriculture. Varietal experiments with rye at the same station resulted in one variety producing at the rate of 43 bushels per acre and another 37.3 bushels. Similar tests with barley resulted in one variety producing at the rate of 70.5 bushels per acre and another 55.2 bushels when grown under the same conditions.

VOLUNTEERS FITTING IN MUCH WORK

Liberty Bond Plea Will Come From Trench Boys

"THESE Supply Trains Will Continue Moving as Long as You Folks Buy Liberty Bonds." That message will be finding its way into many of our local homes on post cards from the boys over there. The card bears a picture of three of the supply trains spoken of.

Ten million sets of these post cards have been distributed among the boys in the American Expeditionary Forces by the Treasury Department. There are five cards to a set and on each is a photograph of something needed every day by the fighting boys and which can be bought and is being bought by the money which goes into Liberty Bonds.

The Treasury Department hopes—and the boys who send the post cards hope—that the response to them will be American.

EXPORTS OF LEAF SHOW ACTIVITY DURING JUNE

Shipments of Tobacco to France and England Break Future Records.

That United States exporters of leaf tobacco are taking good care of the demands of Great Britain and France for that commodity is apparent from the official Government statistics for the month of June, 1918, which show material increases to both countries. Shipments to the United Kingdom alone jumped from 1,428,170 pounds in June, 1917, to 23,635,025 pounds in June, 1918, while Canada, Australia and British West Africa contributed largely to the increase trade for the month. Exports of leaf tobacco to French West Africa were five times as heavy as in June, 1917.

The total exports of leaf tobacco from the United States during June, 1918, amounted to 36,102,559 pounds, an increase of 15,042,088 pounds, or 71 per cent. Stems and trimmings increased 17,670 pounds. Of the manufactured products cigarettes show a decrease of 300,206,000, or 22 per cent; cigars increased 3,170,000, or 792 per cent; plug tobacco increased 281,703 pounds, or 62 per cent, and smoking tobacco increased 243,946 pounds, or 206 per cent. The total value of all tobacco and its manufactured products exported during June, 1918, was \$14,062,875, an increase of \$8,661,455 or 164 per cent.

The record for the fiscal year ended June 30, 1918, reveals the following comparisons in contrast with the preceding fiscal year: Leaf tobacco decreased 117,649,510 pounds, or 29 per cent; stems and trimmings decreased 4,778,557 pounds, or 92 per cent; cigarettes increased 2,676,392,000, or almost 40 per cent; cigars increased 2,755,000, or 115 per cent; plug tobacco decreased 816,151 pounds or 15 per cent; smoking tobacco increased 867,065 pounds, or 35 per cent; the total value of leaf tobacco and its products increased \$15,944,521, or 21 per cent.

THE FOURTH LOAN AS THE FIGHTING LOAN

As the campaign for the Fourth Liberty Loan approaches the American Army in France moves on toward Berlin. Under our own leaders the great American Army has won a notable victory.

The Fourth Loan must be a great success. The Fourth Liberty Loan is a fighting loan.

When our soldiers on the battle front are braving death, each one offering to make the supreme sacrifice for his country and the great cause, we who remain safely at home surely should give them every support, should make every sacrifice to strengthen them. If we can not fight ourselves we can make our dollars fight.

It is a great cause for which America is engaged in this war; it is a great struggle in which the very hope of the world is bound up that is being waged in Europe and on the high seas. It is an honor to have a part in it and all Americans, all of their lives, will be proud of the part they had in it or ashamed of their failure to do their part.

"IN A BAD WAY"

Many a Maysville Reader Will Feel Grateful For This Information.

If your back gives out; Becomes lame, weak or aching; If urinary troubles set in; Perhaps your kidneys are "in a bad way."

Doan's Kidney Pills are for weak kidneys. Local evidence proves their merit. Mrs. R. W. Lauderback, W. Second Street, says: "Two years ago I was suffering with kidney trouble and had been for a long time. I was nervous and dizzy and had severe headaches. My kidneys were too frequent in action and annoyed me greatly. I had a dull ache across the small of my back and my back was so lame at times that I could hardly bend one way or the other. Some one advised me to use Doan's Kidney Pills and I got a box at Wood & Son's Drug Store. They helped me at once and continued use entirely cured me of the trouble." Mrs. Lauderback is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that cured Mrs. Lauderback—the remedy backed by bona testimony. 60c all stores. There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. RED CROSS INSTITUTE BEGINS SESSIONS TO INSTRUCT WORKERS

District Meeting of the Home Service Section of the Red Cross Is Opened Here With Many In Attendance.

The district meeting of the Red Cross Chapters for the study of Home Service problems opened here this morning and will continue for the balance of the week.

Representatives from Red Cross chapters all over this district have arrived in the city and began their work this morning. Representatives from the Executive headquarters of this division in Cleveland are here and the addresses they gave during the session today were well worth coming many miles to hear.

While the institute is being held especially for those who are actively engaged in Home Service work for the Red Cross, the entire public is cordially invited to attend all of the sessions and all attending will find it very interesting to them.

The program for tomorrow follows:
Family Problems—
a—First Contact.
b—What We Need to Know and Why.

c—Consulting References.
d—Plans for the Family—Miss H. E. Anderson.

Home Service in Camps—Arthur J. Strawson, Associated Field Director, Camp Taylor.

Family Problems—
a—Special Lecture on Investigation—Dr. J. F. Steiner.

Tuberculosis—As a Family Problem What to Do For the Discharged Man—R. J. Strawson.

Family Problems—
a—Grants.
b—Allowances.
c—Loans—Miss H. E. Anderson.

OFFICERS CHOSEN

The Woman's Foreign Missionary Society of the Third Street M. E. Church has elected the following officers for the ensuing year:

President—Mrs. H. C. Hoffman.
Vice President—Mrs. Carl Dodds.
Secretary—Miss Geneva Pierce.

Treasurer—Mrs. William O. Davis.
The Society begins the new year with a fine membership and with an enthusiastic determination to do large things for the great cause in which they are engaged.

Mr. and Mrs. M. C. Chisholm, of Newport, Ky., are visiting relatives and friends here.

BEAUTIFUL WINDOWS ATTRACT MANY-FIRST NIGHT STYLE SHOW

Ribbons Awarded Merchants in Various Lines by Women's Committee of Judges—Splendid Line of Merchandise on Display.

Maysville's fall style show was opened formally last night. Although the entire week is considered Style Week, the grand opening had to be postponed until last night on account of the Fuel Administration's "Lightless Night" order.

The windows in the stores and shops in the business district between the L. & N. station and Wall street were never more attractive. The merchants had done their best and no city in the state irrespective of size could show more beautifully and tastefully decorated windows than those which the shoppers will see in Maysville this week.

The special committee of women composed of Mrs. Reese Kirk, Miss Lucy Baldwin, Mrs. A. O. Taylor, Mrs. W. B. Baldwin and Miss Minerva Stockton, viewed all of the windows and awarded the ribbons to the following stores in each division:

Confectioners: F. H. Traxel, first; Elite Confectionery, second.

Novelties: John O'Keefe, first; L. H. Young's Racket Store, second.

Furniture: Melvin. Knox & Dineer, first; John Brishels, second.

Hardware: Mike Brown.

Drugs—J. C. Pecor, first; M. F. Williams & Co., second.

Wall Paper: Hendrickson Palat Co.

Jewelry: Charles L. Traxel, first; A. Clooney, second.

Banks: Bank of Maysville, first; First-Standard Bank and Trust Co., second.

Clothing: George H. Frank & Co., first; Squires-Brady Co., second.

Dry Goods: Merz Brothers, first; D. Hunt & Son, second.

Groceries: J. C. Cabillish & Bro., first; R. Lee Lovel, second.

Shoes: H. H. Barkley Shoe Co., first; Merz Brothers, second.

Art Shop: Qualitance Art Shop.

The windows of the various stores and shops, although very attractive, give one but an idea of what is to be found in the store. Never has there been a more attractive fall showing in Maysville than is to be found this year.

The majority of the stores are having their fall opening during the remainder of the week and those who fail to visit the local stores during the next three days will miss great bargains and a rare treat.

RED CROSS SUPPER AT ELLSBERRY

The newly organized Red Cross Branch at Ellsberry, Ohio, will give a benefit supper on next Saturday night and at the same time will hold a big sale similar to that being held at Hitley this week.

RED CROSS WORK

The Red Cross headquarters are now open regularly on Tuesday, Thursday and Friday and work is progressing. All workers are urged to attend these days.

Relatives here have been advised that Eugene McCarthy, local man who volunteered in the U. S. Navy, is now stationed at a coast city in Ireland.

Relatives here have been advised of the safe arrival overseas of Mr. Charles Royle, of this city.

COTTON SMITH SEEN IN PORTSMOUTH

Escaped Murderer For Whom All Police Are Searching Was in Portsmouth Monday.

Tuesday's Portsmouth Times says: C. H. (Cotton) Smith, who recently broke jail at Catlettsburg just before he was to have been taken to Frankfort penitentiary to serve a 99 year sentence for murdering R. L. Kihman C. & O. detective, was in Portsmouth Monday.

He was seen to converse with friends in front of the First National Bank. Fred Shumate who is well acquainted with Smith notified his brother, Motorcycle Policeman, H. L. Shumate that the former was hanging around the bank but by the time he arrived there Smith was gone. It was later learned that he crossed the Ohio in a john boat and landed near Pullerton.

L. V. Johnson, C. & O. detective upon learning last night that Smith was here came to Portsmouth at once and he and the local police made a fruitless attempt to find the man last night. Johnson was with Kihman when he was murdered in the C. & O. yards at Russell and was shot in the back by Smith. Johnson just recently recovered from the effects of his wound and resumed his work. He says Smith is regarded as a desperate character and no doubt is "armed to the teeth". He is supposed to have many relatives near Greenup and Oldtown, Ky.

ADULT SOCIAL POSTPONED

It was decided at the Christian Church teachers' meeting to postpone for two weeks the Bible School Social but that the Juniors and other young members of the school would have a social at the time announced tomorrow evening. This school will have a rally day on Sunday, October 13th. The program is being arranged now.

LOCAL SOLDIER IS ELEVATED

Relatives here have been advised that Mr. Walter I. Nauman who is now located at Camp McClelland, Annapolis, Ala., has been elevated from the ranks to bugler with the rank of Sergeant. Mr. Nauman's many local friends congratulate him upon the record he is making.

CONSTABLE'S SALE

In compliance with a judgment and order of sale Constable James McNamara yesterday sold two automobiles and a piano at public sale. The automobile were purchased by Mr. A. Clooney and the piano by F. Gerbrich.

Mr. William Dorsch, of West Second street, underwent an operation at Hayswood Hospital this morning and is reported as doing very nicely.

EACH PRECINCT WILL BE EQUALLY APPORTIONED

Meeting of Liberty Bond Campaign to Be Held Saturday When Each County Precinct Will Be Given a Quota to Raise.

Mason county's Fourth Liberty Loan quota as announced yesterday afternoon is \$780,250. This amount, under the plan adopted by the Executive Committee for this county, will be apportioned equally among the twenty-two precincts in the county.

A very important meeting of the workers selected for this campaign will be held Saturday afternoon at the Court House at which time each precinct in the county will be assigned its fair portion of the county's quota. It is the purpose of the committee that after the precincts have been apportioned each resident in the precinct be assigned an amount of bonds which they should purchase considering their worth and earning ability. Each person will then be visited and advised of his apportionment.

The meeting on next Saturday afternoon is to be a very important one and not a single member of the campaign committees should fail to be in attendance.

RED CROSS MASS MEETING TONIGHT

Prominent Speakers Will Address Mass Meeting at Court House This Evening.

Prof. R. J. Colbert, Assistant Director, Department of Civilian Relief, Lake Division Headquarters, American Red Cross, will address a mass meeting of the public this evening at the Court House at 8 p. m.

This meeting is in conjunction with the information conference for Home Service Workers of this district now in session at the Red Cross Rooms on Sutton street.

Prof. Colbert is a most interesting speaker, well informed on all that pertains to the re-construction and re-placement of soldiers and sailors in the war.

This is the first public meeting in this section looking toward the re-organization of the returned men and should be well attended that we may get the general basis for consideration of this great subject.

ANOTHER MAYSVILLE MAN SAFE—LY OVER

Mr. and Mrs. John Hornback, of Forest avenue, this morning received a card informing them that their son, Clarence Hornback, had arrived safely overseas. Mr. Hornback, it will be remembered, was the first Mason county man called in the army draft who did not claim exemptions and he left here with the first squad of men for Camp Zachary Taylor.

SOCIAL FRIDAY

All members and friends of the Epworth League of the Third Street M. E. Church who wish to go the social at Mrs. W. L. Telle's Friday evening are requested to be at the church at 6:30 p. m. from which place the auto will start. There will be plenty of room for all who wish to go. A fine trip is assured and it is hoped that a large crowd will be on hand to go.

WEEKLY PRAYER MEETING HELD TONIGHT

The regular weekly prayer meeting will be held at the First Baptist Church this evening at the regular hour. The pastor will return today in time for the prayer service and the public is cordially invited to attend the meeting. Following the regular prayer service the Teachers' Training Class will meet.

COLORADO TEACHERS' INSTITUTE CONTINUES UNTIL FRIDAY

The institute which opened yesterday at the Scott M. E. Church for the colored teachers of the Mason county schools will continue until Friday. The instructor is delivering some splendid addresses and the institute will be worth much to the teachers during their school term.

OFFICIAL REPORT OF REUNION TO BE PUBLISHED

Mrs. W. G. Hook, of Peebles, Ohio, Secretary of the 10th and 16 Kentucky Association, will make her official report of the reunion held at Beechwood Park here yesterday in an early issue of the Public Ledger.

OLD SOLDIERS IN PARADE GIVEN CHEERS

The old soldiers who met yesterday at Beechwood Park formed a parade at the close of the reunion and marched down town. Although there were but few of them in the line of march, they were cheered all along the line.

Mr. John T. Divine, front street restaurant man, is confined to his home at Fifth and Limestone streets and is reported as being seriously ill.

Mrs. Charles Toogardson leaves today to join her husband at Camp Zachary Taylor for several weeks.

MANY MORE SHOULD BECOME C. OF C. MEMBERS

Report of Campaign Teams Shows Many Business Men Yet to Sign Up As Members of Chamber of Commerce.

Quite an enthusiastic meeting of the Team Captains and Generals was held at the Chamber of Commerce last night. The Captains reported the work as done by the several teams and while the memberships are being re-signed by the best citizens of Maysville, there are others that should resign and help carry on the work of this institution.

Twenty-four new memberships and renewals were reported at the meeting making the total 127 signed up for 1919 memberships. While this is a fairly good beginning it is by no means sufficient to guarantee the work for another year. The Directors feel that the citizens should subscribe at least 300 memberships in order to satisfactorily sustain the organization. There are 277 elite and 116 county members supporting the Chamber of Commerce this year.

Many of the men were solicited today and another meeting will be held tonight in which time it is hoped that sufficient subscriptions shall have been received to guarantee another year's activity by the Chamber of Commerce.

The following firms and citizens have subscribed to its maintenance for another year:

J. S. Dawson, Mrs. Breeze, Squires-Brady, Clarence Mathews, Glena Gault, George Traxel, R. G. Knox, Jos. Schatzman, J. H. Hall, G. P. Lambert, T. A. Duke, J. J. Wood & Son, J. C. Rains, Maysville Street R. R. & Transfer, Myall & Calvert, H. J. Cochran, Standard Bank, Farmers & Traders Bank, Maysville Ice Co., C. M. Jones, Dr. Taylor, W. T. Berry, M. J. McCarthy.

F. E. Hepkins, G. W. Royle, Elite Confectionery, Judge Whitaker, Dr. Divine, J. F. Barbour, J. C. Cabillish & Bro., M. F. Kehoe, J. J. Altmeyer, Maysville Syrup Co., W. H. Key, Dr. Locke, John O'Keefe, Maysville Gas Co., Alva West, D. Hechinger, Public Ledger, P. G. Murphy, J. C. Everett, Farmers and Planters Warehouse, W. Greppenbacher, J. Brishels, Central Meat Market.

Judge Parnell, F. L. Hendrickson, L. H. Young, John Manion, Geisel & Conrad, J. B. Russell, F. H. Traxel, Maysville Telephone Co., G. H. Frank, Kirk & Key, Harding & Simons, M. F. Williams, W. A. Manzing, F. P. O'Donnell, Traxel-Glasecock, Bank of Maysville, Merz Bros., Murray & Thomas, Maysville Twine and Fly Net Co., Clayton Peeter, T. A. Keith, Jr., Dinger Bros., Central Hotel.

W. T. Cummins, A. H. Thompson, Amazon Warehouse, J. D. Easton, E. N. Wheeler, Charles Rohmiller, Dr. J. J. Bailey, Farrar & Jolly, Maurice Kirk, Posner Bros., C. P. Loyd, S. F. Reed, N. S. Calhoun, C. E. Dietrich.

WHERE WILL BUTTER GO?

The price of butter fat has now jumped to 67 cents a pound in Maysville and from this it appears that soon butter will be soaring near the dollar mark. Why butter should be so very high just at this time when there is plenty of pasture is hard to explain and what price it might reach as soon as it becomes necessary to feed cows with feed so very high makes one dizzy to think about.

SPANISH INFLUENZA IN MAYSVILLE

Sudduth Royle, son of Mr. and Mrs. George Royle, of East Second street, is suffering from what has been diagnosed as Spanish Influenza, the disease which has recently broken out in several army camps. Young Mr. Royle is getting along nicely and no other cases have been reported in Maysville or Mason county.
